

# SIÔN PENNY

HEAD OF SCRIPTED ONLINE AND VFX

Siôn combines creativity with a deep technical knowledge which he brings to all aspects of online editing, from conform to VFX, finishing and final delivery. He started his career 20 years ago at Pepper, working his way up from runner to senior editor, before joining Technicolor in 2000 to help establish and grow their broadcast department and oversee online, VFX and workflows. Highlights include 'Bait', 'The Assassin', 'Criminal Record S2', 'His Dark Materials', 'The Tourist', 'Veep', and 'Pistol' alongside feature films such as Sherlock Holmes and The Killer Inside Me.
